

# Shirl's Christmas Turkey

Extended Code Unit 6 /er/

It is Christmas day and Shirl is making lunch for her family. She thinks making lunch is fun, but it is a lot of work. Shirl and Mum went to the shops on Christmas Eve to get all the bits. To make lunch, Shirl had to get:

- a handful of chestnuts
- 1kg of potatoes
- 300g of carrots
- 1 turkey

First, Shirl chops the chestnuts to make stuffing for the turkey. She puts the stuffed turkey in a roasting tray. She cuts the potatoes and carrots and puts them on a tray. As the turkey and potatoes roast, Shirl spends time with Mum and Dad. They open gifts. Shirl got a shirt! Then, Shirl goes back to finish making lunch. She serves it up on a big dish with a jug of gravy. Yum!

Students may need help with the following words: Christmas, potatoes, turkey, serves.
