They got ready for a picnic in the park.

Kim, get the red bag.

In the red bag, they packed:

a bun

a pot of jam

a can of pop

a mat

At the park, they laid down the mat and set up the picnic.

Kim, sit on the mat.

Yum!

A bug!

After they ate, Mum lay down to take a nap.
But not the kids ... it was time to have fun!

Kim dug in the mud.

Kim and Dan played with the other kids in the park.

Kim ran and ran.

It was finally midnight and the three had so much fun celebrating the start of the new year.
