

Alf's list

Christmas resource
Initial Code Unit 8

Written and illustrated by Laura Walker

Alf has a long list for Santa. Mum must help him send his list off to Lapland.

Mum said an elf will come to get it for Santa.

Mum tells Alf that Santa gets the gifts from his hut and sets off with them in a big bag.

‘Alf, get up!’ yells Mum. Alf jumps off his bed.

Mum nods to a box on the desk.
'A gift just for Alf,' Mum winks.

Alf rips the box. It's a soft lump... It's a red kit!
The vest has lots of pink dots. Just as he had
on his list!

Alf hops and yelps. It's the best gift!
'Let's test it', Alf yanks on the tank top. It fits!

‘A gift for Mum!’ Alf has a big hug and a kiss for Mum.
