Tuesday 30th March 2021

Dear Parents/Guardians,

For many years, we have offered Y6 the opportunity to attend a residential trip. Unfortunately, due to the COVID 19 Pandemic and restrictions put in place we have been unable to plan for such an event this year. However, considering how difficult the last 12 months have been for our children, we would like to ensure they have a positive final term with us by offering a range of activities and experiences.

As restrictions slowly lift, we are beginning to be able to plan a number of day visits all offering different experiences. Residential visits are optional and do usually cost over £150 per child but again, this year, we feel that is too much with the difficulties many families are facing. Therefore, school will be funding the majority of these visits and will be asking for a **very small** amount from parents. The amount will be confirmed once we have confirmation of all bookings as soon after Easter as possible. These are all optional, however, we feel children will benefit both socially and emotionally. We want the children to have some fun – in a safe way. Attendance on the visits will be subject to acceptable behavior. Senior staff will make the final decision about whether a child attends or not.

So far, a day's adventures at Shugborough outdoor education center, a day of circus skills and hopefully an ice-skating experience. Last year, we were hoping to take the whole school to the seaside for a day but it couldn't happen. This year we have coaches booked for **Y6 only** to go to Llandudno – this is our grand finale of activities on July 9th. This will be a FULL day leaving VERY early and returning late. Further details will be sent home closer to the events. **The children are VERY excited and so are we!**

Kind Regards

Mrs Jennie Westley
Executive Headteacher

and

Miss Derry
Head of Junior School
