WORLD BOOK DAY

Changing lives through a love of books and shared reading.

While we can't celebrate World Book Day in our normal way, we hope that you enjoy trying some of these activities that we have put together.

You do not have to do every activity but we would like you to choose a few to complete. Remember to upload any work that you do on your portfolio.

We would also really like to hear as many children as possible reading aloud. Why not record yourself reading your favourite short story or an extract from your favourite book. You can upload the video onto your portfolio for us to see.

We look forward to seeing all of the wonderful work that you complete.

WORLD BOOK DAY

Changing lives through a love of books and shared reading.

With a family member, take it in turns to read a story together.

When the other person shouts GO! you need to say three words that rhyme with the last word you read out loud.

Who can stay reading the longest before running out of words?

Make a list of characters and settings from five of the books you own.

Jumble them in a cup and pull out two.

Can you think up a new story involving the mixed up character and setting?

You might end up with a princess trapped in a zoo!
